Sixty-three percent of the class of 2003 graduated within the six-year period ending August 2009. Forty-three percent of the 2004 cohort graduated within the six-year period ending August 2010. NOTIFICATION OF RIGHTS

The Family Educational Rights and Privacy Act (FERPA) and the Gramm-Leach-Bliley Act afford students certain rights with respect to their education records.

- 1) The right to inspect and review the student's education records within 45 days of the day the College receives a request for access. Students should submit to the Registrar, the Provost, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- 2) The right to request the amendment of the student's education record that the student believes is inaccurate or misleading. Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

NOTIFICATION OF RIGHTS (CONTINUED)

- 3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor or collection agent); a person serving on the Board of Directors; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- 4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by Tabor College to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW., Washington, DC 20202-4605.

The Federal Trade Commission (FTC) requires institutions of higher education to establish policies and procedures for safeguarding customer financial information by complying with the Gramm-Leach-Bliley Act (GLB Act). The FTC has ruled that being in compliance with the Family Educational Rights and Privacy Act (FERPA) satisfies the privacy requirement of GLB Act. Tabor College has undertaken additional measures in order to satisfy the safeguarding provisions of the GLB Act.

The objectives of the Tabor College Financial Information Security Plan are to:

- Ensure the security and confidentiality of student/customer covered data.
- Protect against any anticipated threats or hazards to the security or integrity of such covered data.
- Protect against the unauthorized access to, or use of, such covered data in ways that could result in substantial harm or inconvenience to students/customers.

Covered data means all information required to be protected under the GLB Act. Covered data also refers to financial information that the College, as a matter of policy, has included within the scope of its Information Security Plan. Covered data includes information obtained from a student in the course of offering a financial product or service, or such information provided to the College from another institution. Offering a financial product or service includes offering student loans, receiving income tax information from a current or prospective student's parents as a part of a financial aid application, offering credit or interest bearing loans, and other miscellaneous financial services as defined in 12 CFR§ 225.28. Examples of student financial information relating to such products or services are addresses, phone numbers, bank and credit card account numbers, income and credit histories and social security numbers. Covered data consists of both paper and electronic records that are handled by the College or its affiliates.

The Information Security Plan Officer (Officer) will be responsible for implementing the Financial Information Security Plan. The Officer is presently the Vice President for Business & Finance under the guidance of the Office of Information Systems and Technology. Questions or concerns regarding the security of student/customer financial information should be addressed to the Information Security Plan Officer in the College Business Office.

Terms of Financial Settlement

- 1) FULL FINANCIAL SETTLEMENT (DEFINED AS PAYMENT OF THE SEMESTER IN FULL) MUST BE MADE BEFORE THE FIRST DAY OF CLASS UNLESS A PLAN FOR PAYMENT IS APPROVED BY THE COLLEGE BUSINESS OFFICE.
- 2) If full financial settlement will not be made before the first day of class, a minimum deposit of \$300.00 will be required before classes begin regardless of pending aid or loans or other approved plans for payment.
- 3) If a deposit is not made or a Monthly Payment Plan is not on file by the first day of classes, the College may assess a \$200.00 late financial settlement fee and reserves the right to (but is not limited to) deny privileges of class attendance, dorm residency, and access to the cafeteria meal plan. During this time, until the \$300.00 minimum deposit and payment arrangements have been made, cash payment for meals eaten in the cafeteria may be required (without refund).
- 4) Beginning the process of, or completing, applications for financial aid does not take the place of financial settlement with the College Business Office.
- 5) Any remaining balance that will not be covered by loans, scholarships, other institutional aid, or the minimum deposit will require a monthly payment plan or a plan for payment approved by the College Business Office (see "Monthly Payment Plan" below). A finance charge of \$75.00 per semester will be charged for any arrangement other than full financial settlement at the beginning of each semester.
- 6) Should approved arrangements for payment not be on record in the College Business Office by the fifth day of classes or should payment due dates be missed, the College will assess a \$30.00 monthly fee and reserves the right to (but is not limited to) deny privileges as stated above. Additionally, the process of administrative dismissal may be initiated by the Vice President for Business and Finance in consultation with other members of the college administration.

Monthly Payment Plan

Students or parents/guardians of students may elect the option to pay the balance of their accounts after loans, aid, and the \$300 minimum deposit in monthly installments. This plan must be made with, and approved by, the College Business Office and a Tabor College promissory note must be drawn up and signed by the student and College staff. The monthly payments will be due on the tenth day of each of the months included in the approved term length for payment, with the unpaid balance due on the tenth day of the last month of the approved term. A finance charge of \$75.00 per semester will be charged for term payment arrangements. A 10-day grace period will be allowed for late payment after which an additional \$30.00 delinquent account fee will be charged. If the MPP is extended or the balance is not paid by the end of the MPP period the \$200 late financial settlement fee will be added to the students account.

 - Fall Semester: **July 10th** through **December 10th**

Method of Payment

Tabor College accepts personal checks and major credit cards. Online payment is available through the Tabor College website under “**My Tabor**”, or, any of the following “**UNDERGRADUATE**” tab links: “**Student Resources**” and “**Tips For Parents**”. Within those two links, look for “**Online Payment**”. Online payment on a student’s account requires the student’s “**My Tabor**” login and password. Once logged in, click “My Info”, then “My Financial Information (Hillsboro)”, then “My Account Balances”, and there click “Make a Payment”. Online payment provides for the use of major credit cards, debit cards, and an eCheck option.

Student Responsibility

AS A PART OF THE EDUCATIONAL PROCESS, ALL ACCOUNTS ARE CONSIDERED TO BE THE PRIMARY RESPONSIBILITY OF THE STUDENT. FAILURE TO MEET ANY TERMS OF THE FINANCIAL AGREEMENT MAY RESULT IN THE CANCELLATION OF THE STUDENT’S CAMPUS PRIVILEGES OR ENROLLMENT UNTIL PAYMENT HAS BEEN MADE.

All statements of account are sent directly to the student. Forwarding of statements to other parties such as parents, guardians, or relatives, for example, is the responsibility of the student.

Release of Transcripts and Registration

No diplomas or transcripts will be released until an individual's account(s) are paid in full. Remaining payments of monthly payment plans constitute an open obligation. A transcript will be released only upon “payment in full” of all charges net of credits. Federal Perkins Loans must be paid in full or satisfactorily brought up to date before a transcript will be released. Confirmation of registration for subsequent academic terms will not be allowed until an individual’s account is paid in full, or the balance is approved to be carried forward by the College Business Office. If an individual registers without meeting these requirements class attendance will be denied until the requirements are met. Tabor College reserves the right to (but is not limited to) deny privileges as previously stated. Additionally, the process of administrative dismissal may be initiated by the Vice President for Business and Finance in consultation with other members of the college administration.

Outside Collection Agencies

If it becomes necessary to engage an outside agency for the collection of unpaid charges, the agency’s fees will become the responsibility of the individual (i.e., student) in default and the account will be considered unpaid until the agency’s fees have been collected from the individual. Transcripts will be withheld until all account charges and collection fees have been paid in full. Continuing or subsequent enrollment at Tabor College (all undergraduate and graduate programs) will be suspended while accounts are held by the outside collection agency.

The assessment of charges indicates the intention of an individual to receive services from Tabor College and to remit payment for services. By receiving services, the individual gives authorization to the college and its respective agents, agencies and contractors to be contacted for payment collection of all accounts. The college reserves the right to provide information to these entities with regard to the transacting individual including, but not limited to, telephone and mobile device numbers (including answering systems), email addresses, postal addresses, etc. The college also reserves the right to permit these entities to use contact measures such as automatic telephone dialing equipment or pre-recorded voice or text messages.

FINANCIAL INFORMATION 2013-14

Withdrawal Policy

Students who wish to withdraw from Tabor should begin in the Registrar's Office. A withdrawal form will be provided and must be approved by various faculty and administrative personnel. No refunds will be issued without a completed form on file. ANY STUDENT WHO HAS COMPLETED ANY STEPS OF REGISTRATION AND WISHES TO WITHDRAW MUST COMPLETE THE WITHDRAWAL PROCESS AND FORM. The withdrawal date for prorating charges and refunds will be that specified on the official withdrawal form acknowledged and signed by the Registrar.

Charge and Refund Policy

(All charge and refund policies are subject to change based on federal regulations. Current information is available in the College Financial Aid Office and Business Office.)

Students who withdraw from Tabor College prior to the first day of regularly scheduled classes for the fall or spring semester (meaning those days when Orientation, Registration and Financial Settlement are in process) will be charged a service fee of \$300 in lieu of charges for tuition, fees, student activity fee, room and board. No forms of financial aid, loans or other financial assistance administered by the college will be extended to the individual under these circumstances including Title IV federal aid programs and institutional aid programs

Students who were not enrolled in the fall semester but began attending during Interterm and chose to withdraw prior to the beginning of the spring semester will be charged the hourly rate for tuition as advertised in institutional publications, prorated on a weekly basis over the four-week term in increments of 25%. Charges for board will be assessed in one week increments using the full meal plan rate for a semester and dividing by 15 weeks to determine the weekly rate. Charges for room will be assessed in a similar manner using the applicable residence hall rate per semester. No forms of financial aid, loans or other financial assistance administered by the college will be extended to the individual under these circumstances including Title IV federal aid programs and institutional aid programs.

The tuition, certain fees, room and board charges for students who voluntarily withdraw or are suspended or dismissed (under disciplinary measures) from all courses and credit hours, on or after the first day of regularly scheduled classes during the fall or spring semester will be prorated on a daily basis including weekends, but excluding any school breaks of five or more consecutive days, over the first 60% of the semester (the end of the ninth week). Likewise, Title IV financial aid, Tabor College institutional scholarships and grant aid will be prorated in the same manner. Bookstore charges, certain fees, fines and other personal costs are not prorated and are non-refundable. There will be no refunds given for tuition, fees, room or board under any circumstances of withdrawal, suspension or dismissal after the ninth week of a semester.

Students are encouraged to see the Director of Student Financial Assistance for more information on these calculations and regulations.

Courses Dropped

As of the end of the official Add/Drop Period each academic term, there will be no refund or prorating of tuition for courses dropped with the exceptions of (1) "overage" hours above 15 hours dropped during the official Add/Drop Period, and (2) full withdrawal from the college as described under the section CHARGE AND REFUND POLICY. No adjustment will be made to a student's charges, including room and board charges, for those students who withdraw from some but not all courses after the end of the official Add/Drop Period. Students who drop below full-time status on or before the end of the official Add/Drop Period lose all institutional and Kansas state aid. There will be no refund or prorating of charges for students who drop below full-time status after the end of the official Add/Drop Period, and all financial aid will continue to be awarded and applied. There are no refunds for room and board charges under any circumstances with the exception of complete withdrawal from all courses and credit hours as described above under the "Charge and Refund Policy".

Interterm Attendance

There will be no refunds for those not attending during Interterm. Special arrangements may be made for partial meal refunds if attending another 4-1-4 college or a Tabor-sponsored field trip. Refunds for these reasons will be given at the close of Interterm after the meals have been missed. Late start or early completion of an Interterm course from the normal four-week beginning and closing dates will not qualify for an exception to the refund policy for meals. There are no refunds for room charges under any circumstances. Board and room extend through Interterm only if enrolled for credit hours during Interterm.

Credit on Account

Once all charges have been determined and entered on a student account and all credits for grants, loans, scholarships, and payments have been entered on the account, resulting in a credit balance, the student may either leave the credit on account for future charges or may request, in writing, a refund of the credit. If requesting a portion of the credit balance, only one request per month may be made. Any subsequent requests within that month will incur a \$5.00 processing fee. A written request for refund should be made in the College Business Office. Please allow

Federal Perkins Loan

Tabor College is approved by the U.S. Department of Education to administer the Federal Perkins Loan. Repayment including 5% annual interest begins nine months after the student ceases to be at least a half-time student. These loans provide for a payment period of up to ten years and are repaid by the student to Tabor College. Deferments of repayment are available while the individual is attending another educational institution or is involved in a qualified service. The Federal Perkins Loan will be credited to the student's account after the promissory note is signed by the student.

Federal Direct Student Loan Program

This program provides for a federal guarantee of student loans from the US Department of Education for those students demonstrating financial eligibility. Applications are available online at www.studentloans.gov. Students may borrow up to \$5,500 per year during their freshman year; \$6,500 their sophomore year; and \$7,500 their junior and senior years. Origination fees of up to 1.051% will be deducted from the loan amount and will not be applied to the student account.

Additional unsubsidized Direct Student Loans are available to independent students or dependent students whose parents have been denied a PLUS loan. Freshmen and sophomores may apply for up to \$4,000 per year. Juniors and seniors may apply for up to \$5,000 per year. New Federal Direct Loans disbursed on or after July 1, 2012, interest begins immediately after the student ceases to be at least a half-time student. There is a six-month grace period during this time. Depending on financial eligibility, a student may be awarded subsidized or unsubsidized Direct Student Loan (or both). For subsidized Loans, interest accrued is paid by the government until enrollment ends or a student drops below half-time enrollment. For unsubsidized Stafford Loans, interest accrues and may be deferred for student repayment with the principal or paid monthly to the lender. A student must be enrolled in a minimum of six semester hours to be eligible for a Federal Direct Student Loan. These loan proceeds are paid by electronic fund transfer and are applied directly to the student's account.

Federal College Work Study Program

A limited number of part-time employment opportunities are available throughout the school year. Most jobs are in the area of maintenance, clerical, library, and food service. Students who have a financial eligibility may earn wages under the Federal Work-Study Program. Those ineligible for the FWS Program may also be selected for campus jobs. Students are responsible for seeking and applying for jobs. The college cannot guarantee a job for each student. Students are paid the Federal minimum wage. Employee fringe benefits are not applicable for seasonal part-time jobs held by students. Maximums may be imposed in the number of hours a student can work for the College during any given week.

GOVERNMENT AND ELIGIBILITY-BASED AID (CONTINUED)

Parent loan for Undergraduate Students (PLUS)

Parents may apply for a PLUS loan through the US Department of Education and eligibility is determined by the parent's credit acceptance. If the parent is denied, the parent may be approved with an endorser. Parents may borrow up to cost of attendance minus other financial aid. Standard repayment begins 60 days after the final disbursement of the academic year with up to a 10 year repayment plan. Other repayment options are available to the parent. The loan proceeds are paid by electronic fund transfer and are applied directly to the student's account. Origination fees and default fees of up to 4.204% may be charged on the loan amount.

Verification Requirements

Some student's applications will be selected for verification by the Department of Education or by Tabor College. These students selected will be notified on their Student Aid Report. An Institutional Verification Form (IVF) will be sent to the student by the Tabor College Financial Assistance Office. The required Federal tax forms like an IRS tax return transcript(s) or the use of the IRS Data Retrieval on the FAFSA information should be included and sent to Tabor with the IVF. Those students and/or parent(s) who do not file taxes are to submit W-2 forms to Tabor with the IVF.

All documentation must be provided by the student before any Title IV financial aid credit will be applied to the student's account. If a student does not respond with documentation, their account will only be credited with Tabor College funds which are non-need based. The Business Office will charge a delinquent account fee of \$30 per month for unpaid balances. No exception or waiver of this fee will be granted while state or federal aid applications and awards are pending or in transit. This is explained in supplemental information under Terms of Financial Settlement.
