FROM: Kirby Fadenrecht, Sr. Vice President for Business and Finance

RE: Important! Please Read! Medical Cost Assistance Coverage Requirement

Tabor College is interested in making your academic and personal experience meaningful and successful. Your health and wellness is a key component of that experience.

To ensure that students get the care they need to remain enrolled in the College and avoid potential financial hardships, we require all students enrolled in at least 12 credit hours (full-time) to have medical cost assistance coverage. Additionally, the College assesses all students enrolled in six credit hours or more a \$150 fee per year for accidental injury insurance.

We are happy to make available a low-cost medical coverage plan provided by United Healthcare Student Resources (UHSR) for those full-time students WHO DO NOT OTHERWISE have access to medical coverage through a family member, employer, military or other member affiliation. The cost of the plan is \$875 for fifty-two weeks of coverage and has been included on your fall semester bill.

All full-time students who wish to waive enrollment in the college's student health insurance are required to go online at http://studentcenter.uhcsr.com/kica to complete the online waiver process. The charge for the UHSR plan will remain on the student's College account unless an online waiver is approved. Full-time students with existing coverage must also complete the enclosed waiver form and return it together with copies of both sides of their medical insurance card, to the College, no later than August 1st.

Students eligible for the UHSR plan may also cover/enroll any dependents (spouse/children). Enrolling dependents can also be processed online by accessing http://studentcenter.uhcsr.com/kica.

A detailed brochure of the plan coverage is enclosed for your review.

Assistance: Kaylene Unruh in the Student Life Office at Tabor College (kayleneu@tabor.edu or 620-947-3121, ext 1033) will be able to assist you with questions about the College's requirement for medical cost coverage, the online waiver process, and the enclosed waiver form and affidavit of eligibility.

<u>If you have health insurance</u> please be certain to visit the website <u>http://studentcenter.uhcsr.com/kica</u> to waive enrollment <u>and</u> return the enclosed waiver form with copies of both sides of your medical insurance card before August 1^{st} .

<u>If you plan on purchasing the student health insurance</u>, return the enclosed form indicating this. You do not need to go to the website.

We look forward to seeing you next month!

NOTE: Part-time students who do not have access to medical coverage through a family member or affiliation have an option for coverage directly from United Healthcare through a subsidiary named Golden Rule Insurance Company. Contact www.goldenrule.com, bgreer@goldenrule.com or 317-715-7360.
