Résumé

In addition to this Supplemental Application form, please provide a listing of **Accomplishments and Activities** since you entered high school.

Do not exceed one page – Use a readable font no smaller than 11 pt. Please include dates of work experience, activities, etc. Please note that we **will not** provide further guidance regarding how to structure the résumé. It is up to each applicant to find the format that best displays his/her record.

We are interested in what you have done and how you have spent your time. We desire to see more than a list of club memberships/offices held. Applicants should use the space to make clear the contributions and actions that best demonstrate the traits of leadership and service sought by the President's Leadership Scholarship Selection Committee.

Include two character references, who are not family members, along with their contact information that could speak to your academic and leadership activities.
